City Police, Fire Personnel Available for National Night Out

Neighborhoods wishing to participate in the 24th Annual National Night Out on August 7th may register with the City and may also request a police unit or fire truck to join them.

The National Night Out program is sponsored each year by the National Association of Town Watch, and has become a unique event in support of crime and drug prevention for communities.

Last year's National Night Out campaign involved citizens, law enforcement agencies, civic groups, businesses, neighborhood organizations and local officials from over 10,000 communities from all 50 states, U.S. territories, Canadian cities and military bases worldwide.

Along with the traditional display of outdoor lights and front porch vigils, cities, towns and neighborhoods 'celebrate' NNO with a variety of events and activities such as block parties, cookouts, visits from local police and fire departments, parades, flashlight walks and contests.

To request a patrol car, fire truck or have your street blocked off for your block party, call Lisa Ford at 451-8213 or fill out the on line registration form at www.bapolice.org (click on the prevention tab, and then on block party).
